

MONTAGE BEVERLY HILLS PARTNERS WITH NINA PETRONZIO OF PLUSH HOME INC. AS IN-HOUSE INTERIOR DESIGNER

BEVERLY HILLS, CALIF. (March 12, 2012)— Quality is always in style, which is why [Montage Beverly Hills](#) has partnered with Nina Petronzio of [Plush Home Inc.](#), as the hotel's resident interior designer. The acclaimed reputation of Petronzio and exquisite craftsmanship of Plush Home's furniture line pair seamlessly with Montage Beverly Hills' comfortably elegant aesthetic and the reflection of its sense of place in the heart of Beverly Hills.

"Nina's visionary designs are an ideal blend of comfort, timeless elegance and classic sensibilities," said Hermann Elger, General Manager of Montage Beverly Hills. "We look forward to benefiting from Nina's talents and watching her transform and enhance key areas of the hotel."

Petronzio first showcased her talents with a re-design of [Parq Bar](#), by adding a new color scheme, luxurious draperies and generous plush seating. She also included intimate lighting and enhanced the walls by utilizing original works from the hotel's fine art collection. Additionally this year, Petronzio is set to begin design updates in the main lobby, rooftop pool, outdoor terrace areas, and Scarpetta restaurant.

Petronzio's first signature space within Montage Beverly Hills will be the outdoor terrace of [L10](#), Montage Beverly Hills' lounge specializing in the world's most precious whisky, The Macallan Single Malt. Petronzio will be utilizing Lalique crystal wall panels and bespoke furnishings from her Plush Home collection to capture the elegance, charm, sophistication, and vibrancy that is quintessentially Los Angeles. Renovations to the lounge are anticipated to be completed by fall 2012.
